

Five Years Warranty for Lectronic Kaddy Dynasteer.

Lectronic Kaddy is so confident as to the quality and reliability of its Dynasteer model, that the company is extending the warranty period to **five years** from the date of purchase by the consumer.

Additionally, the drive axles on the Dynasteer are to be warranted for the **lifetime** of the product.

The normal warranty for Lectronic Kaddy products is two years from the date of purchase, however this will be extended, on the Dynasteer, to five years provided that the product is subjected to an annual maintenance check up, conducted by the factory or a certified Lectronic Kaddy service dealer. No other additional fees are required.

The Lectronic Kaddy Dynasteer, manufactured and distributed in North America, has long been recognized as a market leader in the remote controlled golf bag carrier category and the features, quality and reliability of this product have been instrumental in establishing a reputation for unequalled performance and value. Now the consumer has even more reason to be confident that his or her purchase is going to provide many years of pleasurable service in the pursuit of this great game of golf.
